QUARTER TWO 2019 NEWSLETTER

We are past the halfway mark for the year and what a year of progress it has been thus far. We are excited for the months ahead as we near the end of 2019. We are happy to share some of our achievements with you!

Cresset House was blessed with a brand new SPRINTER BUS.

THANK YOU TO OUR DONOR AND SPONSOR

TUT STUDENTS

Cresset House had the privilege of accommodating and providing experiential learning to seven TUT Agricultural students who accomplished their practical studies with us. Such a warm group of energetic students, very hardworking and dedicated to educational excellence.

OUR HIGHLIGHTS THUS FAR FOR 2019

Open Day 2019

We wanted to show the public and everyone interested in Cresset House how we operate on my daily activities. Our villagers rose to the occasion and represented Cresset House with pride and much laughter. For the first couple of months of 2019 the Workshops have been preparing for Open Day for the 10th of May 2019.

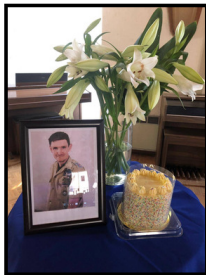

Villagers and staff worked very hard to get decorations, rusks, gift bags and many beautiful products ready for the big day and each of the other villagers showed their activity that they were busy with. We also have the arts and crafts/packaging workshop with activities and products. The guests were then guided by the tour guides back to the hall for tea and coffee and a look at the various products on sale.
